

ST. AUGUSTINE PROVINCE OF AFRICA

(Ghana, Sierra Leone, Senegal, Cameroon, Mozambique, Liberia, Zambia, Kenya)

So I am appealing to our partners and friends to help the Hospital based on their needs to handle the situation. At the same time we need to pray for them to prevent the spread from reaching our area.

In a special way, I would want to thank the Western European Development Company (Ireland) and the Twinning Programme partners in Barcelona (Spain) for their help and also understand the General Curia and JUAN CUIDAD are also preparing to render their support.

We thank you all for your concern.

God bless you all.

Rev. Br. Bartholomew KAMARA

Provincial Superior
